

Brazil september 2005
Danish Ornithological Society

The trip was arranged through the Brazilian compagny – Birding Brazil. We went through Pantanal, Southern parts of Amazonas, Chapadas dos Guimaras, Emas Nat.Park, Iguacu and Parque Estadual Intervales. We had a terrific trip and saw as many as 635 species of birds of which 36 was only heard. Pantanal was comparatively dry but we saw most of the awaited species. Rio Crystalino had not received much rain, but enough to remove the smoke from the fieldfires around and little enough to expose the tapires that had to be near or in the water. Rio Cristalino was perhaps the greatest experience on the trip with the possibilities of watching birds from the boats, from the 50 meter tower or from the trails if not just from the well situated lodge itself. Emas was far away but well worth going for all th specialities and Iguacu a most with the spectacular fall and the rich forest around. Intervales was a choice from Itatiaia (to where I went with some friends after the trip). In comparison Intervales has more spectacular birds and has got two local guides who knows their birds well.

Our guides were all extremely qualified. They were all professionals and enthusiastic. We spent 2 full weeks with Braulio Carlos who was committed and showed us world class birds using energy and digital equipment. Miguel Angel guided us the two days in Iguacu. He was a relaxed and very informative person who not only focused on the birds but also other aspects of the nature. In Intervales Ricardo Parrini joined us the four days and together with two local guides they did a fantastic job finding most of the difficult to get birds.

We all seemed to have a great time. This was of course especially because of our always humouristic partisepants who were: Tau Rasmussen, Asger and Grethe Bjoern, Lise Petersen, Lillian Petersen, Leif and Margit Hoegh Olsen, Erik Bjerrehave, Sten Pedersen, Gunnar Goddik, Ian Max Moeller, Kirsten and Eric Schaumburg (leader).

Latinsk navn

Greater Rhea

Rhea americana

2 birds in Pantanal, common around Emas

Solitary Tinamou

Tinamus solitarius

1 H in Iguacu

White-throated Tinamou

Tinamus guttatus

1 H in Rio Cristalino

Brown Tinamou	<i>Crypturellus obsoletus</i>	1 H in Iguacu
Undulated Tinamou	<i>Crypturellus undulatus</i>	Common in Pantanal where h and seen, H in Iguacu
Brazilian Tinamou	<i>Crypturellus strigulosus</i>	H in Rio Cristalino and a1 every day
Variiegated Tinamou	<i>Crypturellus variegatus</i>	H in a1
Small-billed Tinamou	<i>Crypturellus parvirostris</i>	H in Rio Cristalino and Iguacu
Tataupa Tinamou	<i>Crypturellus tataupa</i>	H in Rio Cristalino and Iguacu
Red-winged Tinamou	<i>Rhynchotus rufescens</i>	H and seen in Chapadas dos Guimeras and Emas
Lesser Nothura	<i>Nothura minor</i>	H and seen briefly in Emas
Spotted Nothura	<i>Nothura maculosa</i>	H in Emas
Anhinga	<i>Anhinga anhinga</i>	Common in rivers and lakes all over
Neotropic Cormorant	<i>Phalacrocorax olivaceus</i>	Do
Whistling Heron	<i>Syrigma sibilatrix</i>	Small numbers in Pantanal and Emas
Capped Heron	<i>Pilherodius pileatus</i>	Small numbers in Pantanal and Rio Cristalino
Cocoi Heron	<i>Ardea cocoi</i>	Common in Pantanal and other places with water
Cattle Egret	<i>Bubulcus ibis</i>	Seen in big numbesat most places
Great Egret	<i>Casmerodius albus</i>	Common in Pantanal. Also seen in Rio Cristalino
Little Blue Heron	<i>Egretta caerulea</i>	A few seen in Pantanal
Snowy Egret	<i>Egretta thula</i>	Common in Pantanal
Striated Heron	<i>Butorides striatus</i>	Common in Pantanal and Rio Cristalino
Agami Heron	<i>Agamia agami</i>	1 seen in Pantanal
Black-crowned Night-Heron	<i>Nycticorax nycticorax</i>	Common in Pantanal
Boat-billed Heron	<i>Cochlearius cochlearius</i>	A few seen in Pantanal
Rufescent Tiger-Heron	<i>Tigrisoma lineatum</i>	Common in Pantanal and other localities with water
Zigzag Heron	<i>Zebrilus undulatus</i>	1 seen in Rio Cristalino after hard work from the boatdrivers
Wood Stork	<i>Mycteria americana</i>	Common in Pantanal and occasionally seen in Rio Cristalino
Maguari Stork	<i>Ciconia maguari</i>	Few seen in the southern end of Pantanal
Jabiru	<i>Jabiru mycteria</i>	Common in Pantanal
Plumbeous Ibis	<i>Harpiprion caerulescens</i>	Only seen on two occasions in Pantanal. Usually more common.

Buff-necked Ibis	<i>Theristicus caudatus</i>	Comon in Pantanal and at Emas
Green Ibis	<i>Mesembrinibis cayennensis</i>	Many seen in Pantanal, Rio Cristalino and Chapadas dos Guimeras
White-faced Ibis	<i>Plegadis chihi</i>	--seen in Pantanal with Hans and Alex
Roseate Spoonbill	<i>Platalea ajaja</i>	Seen frequently in Pantanal. An obs. in Intervales was the first for this area
Turkey Vulture	<i>Cathartes aura</i>	Many obs. in Emas and Iguacu. Some obs. in Pantanal though most of the vultures in Pantanal were lesser yv.
Lesser Yellow-headed Vulture	<i>Cathartes burrovianus</i>	Common in Pantanal, Emas and Chapadas dos Guimeras
Greater Yellow-headed Vulture		Several in Rio Cristalino
Black Vulture	<i>Coragyps atratus</i>	Very numerous at most places
King Vulture	<i>Sarcoramphus papa</i>	About 10 obs. in Rio Cristalino and 1 in Emas. A few seen in Iguacu
Southern Screamer	<i>Chauna torquata</i>	About 10 seen in the southern part of Pantanal
Horned Screamer	<i>Anhina Cornuta</i>	5 en route from Emas
White-faced Whistling-Duck	<i>Dendrocygna viduata</i>	Only seen in Alta Floresta – not in Pantanal due to the drought
Black-bellied Whistling-Duck	<i>Dendrocygna autumnalis</i>	5 birds seen in the southern Pantanal! Not the millions we had expected
Muscovy Duck	<i>Cairina moschata</i>	Seen widespread in small numbers
Brazilian Teal	<i>Amazonetta brasiliensis</i>	Small numbers in Pantanal and Alta Floresta
Osprey	<i>Pandion haliaetus</i>	1 seen Rio Cristalino
Grey-headed Kite	<i>Leptodon cayanensis</i>	1 seen in Iguacu
Hook-billed Kite	<i>Chondrohierax uncinatus</i>	1 seen in Rio Cristalino
Swallow-tailed Kite	<i>Elanoides forficatus</i>	Commonly seen except in Pantanal. Migration had obviously started
White-tailed Kite	<i>Elanus leucurus</i>	A few seen in Emas
Snail Kite	<i>Rostrhamus sociabilis</i>	Common in Pantanal. A few seen other places
Double-toothed Kite	<i>Harpagus bidentatus</i>	1 seen from the tower in Rio Cristalino
Rufous-thighed Kite	<i>Harpagus diodon</i>	1 seen in Iguacu
Plumbeous Kite	<i>Ictinia plumbea</i>	Seen at all localities except Pantanal
Long-winged Harrier	<i>Circus buffoni</i>	Small numbers in Emas
Gray-bellied Goshawk	<i>Accipiter poliogaster</i>	1 seen in Intervales
Sharpchinned Hawk	<i>Accipiter striatus</i>	1 seen in Intervales

Crane Hawk	<i>Geranospiza caerulescens</i>	<i>A few obs. in Pantanal (around Jaguar lodge) and Alta Floresta</i>
White-browed Hawk	<i>Leucopternis kuhli</i>	<i>1 seen in Alta Floresta and 1 in Rio Cristalino</i>
White Hawk	<i>Leucopternis albicollis</i>	<i>1 seen in Rio Cristalino</i>
Mantled Hawk	<i>Leucopternis polionota</i>	<i>Not seen for sure. 2 obs in Intervales was probably this sp.</i>
Great Black-Hawk	<i>Buteogallus urubitinga</i>	<i>Common in Pantanal</i>
Savanna Hawk	<i>Buteogallus meridionalis</i>	<i>Common in Pantanal and Emas</i>
Blackfaced Hawk	<i>Leucopternis melapops</i>	<i>1 in Alta Floresta (SP)</i>
Black-collared Hawk	<i>Busarellus nigricollis</i>	<i>Common in Pantanal</i>
Gray Hawk	<i>Asturina nitida</i>	<i>Seen after the DOF trip in Pantanal</i>
Roadside Hawk	<i>Buteo magnirostris</i>	<i>Seen daily in open areas</i>
Short-tailed Hawk	<i>Buteo brachyurus</i>	<i>A few seen in Intervales</i>
White-tailed Hawk	<i>Buteo albicaudatus</i>	<i>Several seen outside Emas NP</i>
Crested Eagle	<i>Morphnus guianensis</i>	<i>A probably young bird seen perched on a branch overhanging the river in Rio Cristalino</i>
Harpy Eagle	<i>Harpia harpyja</i>	<i>Both adults and a young seen at Alta Floresta</i>
Black-and-white Hawk-Eagle	<i>Spizastur melanoleucus</i>	<i>Seen at Ubatuba after the DOF trip</i>
Black Hawk-Eagle	<i>Spizaetus tyrannus</i>	<i>1 at Rio Cristalino and 1 in Itatiaia</i>
Ornate Hawk-Eagle	<i>Spizaetus ornatus</i>	<i>A few seen at Rio Cristalino</i>
Black Caracara	<i>Daptrius ater</i>	<i>A few seen at Rio Cristalino</i>
Red-throated Caracara	<i>Ibycter americanus</i>	<i>A few seen at Rio Cristalino</i>
Southern Crested Caracara	<i>Caracara plancus</i>	<i>Very common all over.</i>
Yellow-headed Caracara	<i>Milvago chimachima</i>	<i>1 in Pantanal and daily in Emas</i>
Laughing Falcon	<i>Herpetotheres cachinnans</i>	<i>3 in Pantanal and 2 in Emas</i>
Barred Forest-Falcon	<i>Micrastur ruficollis</i>	<i>Only heard. 2 in Rio Cristalino and 2 in Intervales</i>
Cryptic Forest-Falcon	<i>Micrastur mintoni</i>	<i>1 heard in Rio Cristalino</i>
Collared Forest-Falcon	<i>Micrastur semitorquatus</i>	<i>1 heard in Pantanal</i>
American Kestrel	<i>Falco sparverius</i>	<i>Common in Emas. Also seen in Intervales</i>
Bat Falcon	<i>Falco ruficularis</i>	<i>Seen in Chapadas dos Guimeras and Alta Floresta</i>
Aplomado Falcon	<i>Falco femoralis</i>	<i>Common in Emas</i>

Chaco Chachalaca	<i>Ortalis canicollis</i>	Common in Pantanal
Speckled Chachalaca	<i>Ortalis guttata</i>	A flock seen in Rio Cristalino at the Hoazin place
Rusty-margined Guan	<i>Penelope superciliaris</i>	Several seen in Iguacu
Dusky-legged Guan	<i>Penelope obscura</i>	Common in Intervales
Spix's Guan	<i>Penelope jacquacu</i>	A few seen in Rio Cristalino
Chestnut-bellied Guan	<i>Penelope ochrogaster</i>	Common in Pantanal
Blue-throated Piping-Guan	<i>Pipile cumanensis</i>	Common in Pantanal
Red-throated Piping-Guan	<i>Pipile cujubi</i>	Common in Rio Cristalino
Black-fronted Piping-Guan	<i>Pipile jacutinga</i>	A few seen in Iguacu
Bare-faced Curassow	<i>Crax fasciolata</i>	Common in Pantanal. a few seen in Emas
Marbled Wood-Quail	<i>Odontophorus gujanensis</i>	A flock heard in Rio Cristalino
Spot-winged Woodquail	<i>Odontophorus capueira</i>	Seen and heard in Intervales
Limpkin	<i>Aramus guarauna</i>	Very common in Pantanal
Slaty-breasted Woodrail	<i>Aramides saracura</i>	Seen at Intervales
Gray-necked Wood-Rail	<i>Aramides cajanea</i>	Common in Pantanal
Blackish Rail	<i>Pardirallus nigricans</i>	Heard and seen in Intervales
Rufous-sided Crake	<i>Laterallus melanophaius</i>	Heard in Itatiaia after the DOF trip
Ash-throated Crake	<i>Porzana albicollis</i>	Heard and seen in Emas
Common Moorhen	<i>Gallinula chloropus</i>	1 seen at Intervales
Purple Gallinule	<i>Porphyrio martinica</i>	1 seen at Pantanal
Sungrebe	<i>Heliornis fulica</i>	Seen several times in Rio Cristalino and 1 in Pantanal
Sunbittern	<i>Eurypyga helias</i>	Common in Pantanal and Rio Cristalino
Red-legged Seriema	<i>Cariama cristata</i>	5 seen in Pantanal. common in Emas
Wattled Jacana	<i>Jacana jacana</i>	Common
Black-necked Stilt	<i>Himantopus mexicanus</i>	Seen in Pantanal after the DOF trip
Southern Lapwing	<i>Vanellus chilensis</i>	Common
Pied Lapwing	<i>Hoploxypterus cayanus</i>	Seen in small numbers at Pantanal and Rio Cristalino
Collared Plover	<i>Charadrius collaris</i>	Seen in Pantanal at Porto Jofre after the DOF trip

Upland Sandpiper	<i>Bartramia longicauda</i>	1 in Pantanal after the DOF trip
Lesser Yellowlegs	<i>Tringa flavipes</i>	20 in Pantanal after the DOF trip
Solitary Sandpiper	<i>Tringa solitaria</i>	Common at all wetland localities
Spotted Sandpiper	<i>Actitis macularia</i>	1 in Rio Cristalino
White-rumped Sandpiper	<i>Calidris fuscicollis</i>	25 seen en route to Pantanal after the DOF trip
Pectoral Sandpiper	<i>Calidris melanotos</i>	5 seen Pantanal after the DOF trip
Large-billed Tern	<i>Phaetusa simplex</i>	A few at Cuiaba. Later seen in Pantanal
Yellow-billed Tern	<i>Sterna superciliaris</i>	Single birds seen around
Black Skimmer	<i>Rynchops niger</i>	10 birds seen in Pantanal after the DOF trip
Scaled Pigeon	<i>Columba speciosa</i>	1 seen at Iguacu pproad
Picazuro Pigeon	<i>Columba picazuro</i>	Common at most places
Pale-vented Pigeon	<i>Columba cayennensis</i>	Common in Pantanal and Emas
Plumbeous Pigeon	<i>Columba plumbea</i>	Heard several places. Seen Alta Floresta
Ruddy Pigeon	<i>Columba subvinacea</i>	Heard and seen in Rio Cristalino
Eared Dove	<i>Zenaida auriculata</i>	Seen in Emas and Intervalles
Plain-breasted Ground-Dove	<i>Columbina minuta</i>	Seen Itatiaia after the DOF trip
Ruddy Ground-Dove	<i>Columbina talpacoti</i>	Common except at Intervalles
Picui Ground-Dove	<i>Columbina picui</i>	Very common at Pantanal. Also a few seen in Emas
Scaly Dove	<i>Scardafella squammata</i>	Seen commonly in Pantanal. A few seen in Emas
Blue Ground-Dove	<i>Claravis pretiosa</i>	2 seen in Iguacu
Long-tailed Ground-Dove	<i>Uropelia campestris</i>	Seen at a few occasions in Pantanal where they were in flocks of 10 – 20
White-tipped Dove	<i>Leptotila verreauxi</i>	Common in Pantanal
Grey-fronted Dove	<i>Leptotila rufaxilla</i>	Seen everywhere but Pantanal
Ruddy Quail-Dove	<i>Geotrygon montana</i>	1 seen in Rio Cristalino
Hyacinthine Macaw	<i>Anodorhynchus hyacinthinus</i>	Nobody will forget the sightings in Pantanal. singles seen from MG lodge and 20 birds at the palms at Jaguar lodge
Blue-and-yellow Macaw	<i>Ara ararauna</i>	About 10 birds seen in Rio Cristalino. Very common in Emas
Scarlet Macaw	<i>Ara macao</i>	Seen every day in Rio Cristalino and Alta Floresta
Red-and-green Macaw	<i>Ara chloroptera</i>	1 in Pantanal, 2 seen in Chapadas dos Guimeras. Regularly seen in Emas. 1 in

Chestnut-fronted Macaw	<i>Ara severa</i>	<i>Iguacu</i> Seen daily in Rio Cristalino and Chapadas dos Guimeras
Red-bellied Macaw	<i>Orthopsittaca manilata</i>	A few seen in Alta Floresta
Golden-collared Macaw	<i>Propyrrhura auricollis</i>	2 seen in Pantanal (near Jaguar lodge)
Blue-winged Macaw	<i>Propyrrhura maracana</i>	Seen in Chapadas dos Guimeras
Red-shouldered Macaw	<i>Diopsittaca nobilis</i>	Seen daily in Emas
White-eyed Conure	<i>Aratinga leucophthalmus</i>	Common in Pantanal, Rio Cristalino and Emas
Peach-fronted Conure	<i>Aratinga aurea</i>	Common in Pantanal and Emas
Nanday Conure	<i>Nandayus nenday</i>	A small flock seen in Pantanal
Maroon-bellied Conure	<i>Pyrrhura frontalis</i>	Seen comonly in Iguacu and Intervales
Crimson-bellied Conure	<i>Pyrrhura perlata</i>	Only heard at Alta Floresta
Painted Parakeet	<i>Pyrrhura picta</i>	Several seen in Rio Cristalino and alta F.
Monk Parakeet	<i>Myiopsitta monachus</i>	Very numerous in Pantanal
Blue-winged Parrotlet	<i>Forpus xanthopterygius</i>	A small flock seen in Iguacu and 1 in Intervales
Dusky-billed Parrotlet	<i>Forpus sclateri</i>	2 small flocks seen in Rio Cristalino
Plain Parakeet	<i>Brotogeris tirica</i>	Common in Intervales
Yellow-chevroned Parakeet	<i>Brotogeris chiriri</i>	Quite common in Pantanal and Chapadas dos Guimeras
Golden-winged Parakeet	<i>Brotogeris chrysopterus</i>	Seen in Rio Cristalino and Alta Floresta
White-bellied Parrot	<i>Pionites leucogaster</i>	Seen every day in Rio Cristalino
Pileated Parrot	<i>Pionopsitta pileata</i>	Seen every day in Intervales
Orange-cheeked Parrot	<i>Pionopsitta barrabandi</i>	Seen twice in Rio Cristalino
Blue-headed Parrot	<i>Pionus menstruus</i>	Common in Rio Cristalino and Chapadas dos Guimeras
Scaly-headed Parrot	<i>Pionus maximiliani</i>	Seen in Chapadas dos Guimeras, Iguacu and Intervales
Yellow-faced Amazon	<i>Amazona xanthops</i>	Seen in Pantanal and Chapadas dos Guimeras
Blue-fronted Amazon	<i>Amazona aestiva</i>	Seen all days in Pantanal and Emas
Yellow-crowned Parrot	<i>Amazona ochrocephala</i>	Seen once in Rio Cristalino
Kawall's Amazon	<i>Amazona kawalli</i>	3 – 4 seen in Rio Cristalino
Blue-bellied Parrot	<i>Triclaria malachitacea</i>	Seen at 1 occasion in Intervales

Hoatzin	<i>Opisthocomus hoazin</i>	About 20 seen in Rio Cristalino a few hours upriver
Greater Ani	<i>Crotophaga major</i>	Common in Rio Cristalino
Smooth-billed Ani	<i>Crotophaga ani</i>	Common at most places
Guira Cuckoo	<i>Guira guira</i>	Common in Pantanal and Emas
Striped Cuckoo	<i>Tapera naevia</i>	Heard and seen in small numbers in Pantanal and 1 in Emas
Pheasant Cuckoo	<i>Dromococcyx phasianellus</i>	1 heard and 1 seen in Pantanal
Squirrel Cuckoo	<i>Piaya cayana</i>	Seen at most places except at Rio Cristalino
Black-bellied Cuckoo	<i>Piaya melanogaster</i>	3 birds seen from the tower in Rio Cristalino
Little Cuckoo	<i>Piaya minuta</i>	2 birds seen in Pantanal
Barn Owl	<i>Tyto alba</i>	Seen at 3 occasions in Emas
Tropical Screech-Owl	<i>Otus choliba</i>	1 seen in Intervalles
Tawny-bellied Screech-Owl	<i>Otus watsonii</i>	2 heard and 1 seen in Rio Cristalino
Black-capped (Variable) S-Owl	<i>Otus atricapillus</i>	1 seen in Iguacu
Great Horned Owl	<i>Bubo virginianus</i>	2 ad with 3 youngs in Pantanal + single individuals in Pantanal
Spectacled Owl	<i>Pulsatrix perspicillata</i>	1 heard in Rio Cristalino at the lodge
Tawny-browed Owl	<i>Pulsatrix koeniswaldiana</i>	1 seen and heard in Intervalles
Ferruginous Pygmy-Owl	<i>Glaucidium brasilianum</i>	Heard and seen in Pantanal, Emas and Iguacu
Hardy's Pygmy-Owl	<i>Glaucidium hardyi</i>	1 heard and 1 seen in Rio Cristalino
Burrowing Owl	<i>Athene cunicularia</i>	Several seen at Chapadas dos Guimeras and Emas
Short-eared Owl	<i>Asio flammeus</i>	2 seen at Emas
Great Potoo	<i>Nyctibius grandis</i>	1 seen at Pantanal. After the DOF trip several were seen around Jaguar lodge
Gray Potoo	<i>Nyctibius griseus</i>	Not seen on the DOF trip. Seen at Jag. Lodge afterwards
Short-tailed Nighthawk	<i>Lurocalis semitorquatus</i>	Seen at Rio Cristalino
Least Nighthawk	<i>Chordeiles pusillus</i>	Seen en route to Chapadas dos Guimeras. Seen on the river at p. Jofre after the DOF trip
Band-tailed Nighthawk	<i>Nyctiprogne leucopyga</i>	Common at Pantanal
Nacunda Nighthawk	<i>Podager nacunda</i>	A few seen at Pantanal and Emas
Common Pauraque	<i>Nyctidromus albicollis</i>	Quite common at most places.
Ocellated Poorwill	<i>Nyctiphrynus ocellatus</i>	2 birds seen at short distance at Rio Cristalino

Rufous Nightjar	<i>Caprimulgus rufus</i>	<i>A few seen in Pantanal</i>
Silky-tailed Nightjar	<i>Caprimulgus sericocaudatus</i>	<i>1 – 2 birds seen and heard at Intervales.</i>
White-winged Nightjar	<i>Caprimulgus candicans</i>	<i>Quite common in Emas.</i>
Spot-tailed Nightjar	<i>Caprimulgus maculicaudus</i>	<i>Several birds heard and seen in Pantanal</i>
Blackish Nightjar	<i>Caprimulgus nigrescens</i>	<i>Seen at daylight at the lodge in Rio Cristalino</i>
Scissor-tailed Nightjar	<i>Hydropsalis brasiliانا</i>	<i>Only seen once in Pantanal</i>
Long-trained Nightjar	<i>Macropsalis forcipata</i>	<i>2 birds seen in Intervales</i>
Great Dusky Swift	<i>Aerornis senex</i>	<i>Common at Chapadas dos Guimeras and Iguacu</i>
White-collared Swift	<i>Streptoprocne zonaris</i>	<i>Seen in moderate numbers at the east cost localities and en route</i>
Biscutate Swift	<i>Streptoprocne biscutata</i>	<i>Common at Chapadas dos Guimeras and at Iguacu</i>
Grey-rumped Swift	<i>Chaetura cinereiventris</i>	<i>Common at Rio Cristalino</i>
Pale-rumped Swift	<i>Chaetura egregia</i>	<i>Common at Rio Cristalino</i>
Amazonian Swift	<i>Chaetura viridipennis</i>	<i>A few seen in Rio Cristalino</i>
Ashy-tailed Swift	<i>Chaetura andrei</i>	<i>Quite common at Chapadas dos Guimeras, Emas, Iguacu and Intervales</i>
Fork-tailed Swift	<i>Tachornis squamata</i>	<i>Seen on the way to Rio Cristalino and at Chapadas dos Guimeras</i>
Saw-billed Hermit	<i>Ramphodon naevius</i>	<i>Seen after the dof trip at Itatiaia</i>
Scale-throated Hermit	<i>Phaethornis eurynome</i>	<i>Several seen at Iguacu and Intervales</i>
Planalto Hermit	<i>Phaethornis pretrei</i>	<i>1 in Pantanal and a few in Iguacu</i>
Buff-bellied Hermit	<i>Phaethornis subochraceus</i>	<i>A few seen in Pantanal</i>
Reddish Hermit	<i>Phaethornis ruber</i>	<i>Seen a couple of times in Pantanal and Alta Fl.</i>
Little Hermit	<i>Phaethornis longuemareus</i>	<i>Seen at Rio Cristalino</i>
Gray-breasted Sabrewing	<i>Campylopterus largipennis</i>	<i>A few seen in Rio Cristalino</i>
Swallow-tailed Hummingbird	<i>Campylopterus macrourus</i>	<i>Seen after the DOF trip at Itatiaia</i>
White-necked Jacobin	<i>Florisuga mellivora</i>	<i>Common at Rio Cristalino and Alta F.</i>
Black Jacobin	<i>Florisuga fuscus</i>	<i>Common at Itatiaia</i>
White-vented Violetear	<i>Colibri serrirostris</i>	<i>1 at Chapadas dos Guimeras and every day at Emas</i>
Black-throated Mango	<i>Anthracothorax nigricollis</i>	<i>Single birds at Rio Cristalino, Pantanal and Iguacu</i>
Ruby-topaz Hummingbird	<i>Chrysolampis mosquitus</i>	<i>Seen Pantanal after the DOF trip</i>

Black-breasted Plovercrest	<i>Stephanoxis lalandi</i>	<i>A wonderful male seen at Intervales</i>
Frilled Coquette	<i>Lophornis magnificus</i>	<i>Seen at Itatiaia after the DOF trip</i>
Black-bellied Thorntail	<i>Discosura langsdorffi</i>	<i>1 seen in Pantanal</i>
Glittering-bellied Emerald	<i>Chlorostilbon aureoventris</i>	<i>Just 1 seen at Emas</i>
Fork-tailed Woodnymph	<i>Thalurania furcata</i>	<i>Seen regularly except at Intervales</i>
Violet-capped Woodnymph	<i>Thalurania glaucopis</i>	<i>Common at Iguacu and Intervales</i>
Gilded Sapphire	<i>Hylocharis chrysur</i>	<i>1 or 2 seen at Pantanal</i>
White-throated Hummingbird	<i>Leucochloris albicollis</i>	<i>5 – 10 seen at Intervales</i>
White-tailed Goldenthrout	<i>Polytmus guainumbi</i>	<i>Seen at Pantanal and Emas</i>
Versicolored Emerald	<i>Agyrtria versicolor</i>	<i>Seen at Rio Cristalino and Intervales</i>
Glittering-throated Emerald	<i>Polyerata fimbriata</i>	<i>Common at Pantanal</i>
Sapphire-spangled Emerald	<i>Polyerata lactea</i>	<i>A few seen in Intervales</i>
Brazilian Ruby	<i>Clytolaema rubricauda</i>	<i>2 – 4 seen in Intervales</i>
Black-eared Fairy	<i>Heliathryx aurita</i>	<i>1 seen Rio Cristalino</i>
Long-billed Starthroat	<i>Heliomaster longirostris</i>	<i>About 5 seen in Rio Cristalino</i>
Amethyst Woodstar	<i>Calliphlox amethystina</i>	<i>1 seen in Rio Cristalino</i>
Black-tailed Trogon	<i>Trogon melanurus</i>	<i>Seen and heard in Rio Cristalino</i>
White-tailed Trogon	<i>Trogon viridis</i>	<i>Seen at Rio Cristalino, Alta Floresta and Intervales</i>
Collared Trogon	<i>Trogon collaris</i>	<i>Seen at Rio Cristalino</i>
Black-throated Trogon	<i>Trogon rufus</i>	<i>Several at Iguacu and Intervales</i>
Surucua Trogon	<i>Trogon surrucura</i>	<i>Common at Iguacu and Intervales</i>
Blue-crowned Trogon	<i>Trogon curucui</i>	<i>Quite common at Pantanal</i>
Ringed Kingfisher	<i>Megaceryle torquata</i>	<i>Common at Pantanal and Rio Cristalino</i>
Amazon Kingfisher	<i>Chloroceryle amazona</i>	<i>Seen daily at Pantanal and Rio Cristalino</i>
Green Kingfisher	<i>Chloroceryle americana</i>	<i>Seen daily at Pantanal and Rio Cristalino</i>
Green-and-rufous Kingfisher	<i>Chloroceryle inda</i>	<i>Seen a few times at Pantanal and Rio Cristalino</i>
American Pygmy-Kingfisher	<i>Chloroceryle aenea</i>	<i>Seen at 3 occasions at Pantanal</i>
Broad-billed Motmot	<i>Electron platyrhynchum</i>	<i>Heard once and seen once at Rio Cristalino</i>

Rufous-capped Motmot	<i>Baryphthengus ruficapillus</i>	Common at Iguacu and Intervales
Blue-crowned Motmot	<i>Momotus momota</i>	Heard at Rio Cristalino several times. Seen at Emas at the lodge and Chapadas dos Guimeras
Brown Jacamar	<i>Brachygalba lugubris</i>	5 seen at Rio Cristalino one day
Rufous-tailed Jacamar	<i>Galbula ruficauda</i>	Common at Pantanal, Emas and Chapadas dos Guimeras
Paradise Jacamar	<i>Galbula dea</i>	Seen 3 days at Rio Cristalino
Great Jacamar	<i>Jacamerops aureus</i>	Heard and seen only once at Rio Cristalino – though not by all.
Brown-banded Puffbird	<i>Notharchus ordii</i>	Heard and seen at Rio Cristalino
Pied Puffbird	<i>Notharchus tectus</i>	Seen at Rio Cristalino
White-eared Puffbird	<i>Nystalus chacuru</i>	1 at Alta F. and 1 at Emas
White-necked Puffbird	<i>Notharchus macrorhynchos</i>	1 seen at Rio Cristalino
Striolated Puffbird	<i>Nystalus striolatus</i>	1 heard at Rio Cristalino
Spot-backed Puffbird	<i>Nystalus maculatus</i>	1 heard at Emas
Rufous-necked Puffbird	<i>Malacoptila rufa</i>	1 heard at Alta Floresta
Rufous-capped Nunlet	<i>Nonnula ruficapilla</i>	2 seen at Rio Cristalino
Black-fronted Nunbird	<i>Monasa nigrifrons</i>	Common at Pantanal and Rio Cristalino
White-fronted Nunbird	<i>Monasa morphoeus</i>	Seen from the tower at Rio Cristalino and a few from the tracks
Swallow-winged Puffbird	<i>Chelidoptera tenebrosa</i>	Common at Rio Cristalino especially along the river
Lettered Araçari	<i>Pteroglossus inscriptus</i>	Common at Rio Cristalino
Red-necked Araçari	<i>Pteroglossus bitorquatus</i>	Common at Rio Cristalino
Chestnut-eared Araçari	<i>Pteroglossus castanotis</i>	Common at Pantanal, Alta F. and Iguacu
Curl-crested Araçari	<i>Pteroglossus beauharnaesii</i>	Seen once at Rio Cristalino
Spot-billed Toucanet	<i>Selenidera maculirostris</i>	Seen at Itatiaia after the DOF trip
Gould's Toucanet	<i>Selenidera gouldii</i>	2 heard at Rio Cristalino
Saffron Toucanet	<i>Bailloniuss bailloni</i>	About 10 seen in Intervales
Red-breasted Toucan	<i>Ramphastos dicolorus</i>	5 seen at Iguacu
Yellow-ridged Toucan	<i>Ramphastos culminatus</i>	Seen daily at Rio Cristalino and Chapadas dos Guimeras
Toco Toucan	<i>Ramphastos toco</i>	Common at Pantanal, Emas and Iguacu
Cuvier's Toucan	<i>Ramphastos cuvieri</i>	Heard and seen 5 times in Rio Cristalino (only seen twice)

Bar-breasted Piculet	<i>Picumnus aurifrons</i>	1 seen in Rio Cristalino
White-barred Piculet	<i>Picumnus cirratus</i>	Seen at Itatiaia after the DOF trip
Ochre-collared Piculet	<i>Picumnus temminckii</i>	Seen daily at Iguacu and Intervales
White-wedged Piculet	<i>Picumnus albosquamatus</i>	Seen almost daily in Pantanal
White Woodpecker	<i>Melanerpes candidus</i>	1 seen at Pantanal and seen every day at Emas
Yellow-tufted Woodpecker	<i>Melanerpes cruentatus</i>	Seen daily at Rio Cristalino and Chapadas dos Guimaras
Yellow-fronted Woodpecker	<i>Melanerpes flavifrons</i>	Common at Iguacu and Intervales
Little Woodpecker	<i>Veniliornis passerinus</i>	Quite common at Pantanal, Rio Cristalino and Chapadas dos Guimaras
White-spotted Woodpecker	<i>Veniliornis spilogaster</i>	Quite common at Intervales
Yellow-throated Woodpecker	<i>Piculus flavigula</i>	1 heard at Rio Cristalino
Golden-green Woodpecker	<i>Piculus chrysochloros</i>	2 seen at Pantanal
White-browed Woodpecker	<i>Piculus aurulentus</i>	1 seen at Intervales
Green-barred Woodpecker	<i>Chrysoptilus melanochloros</i>	1 seen at Emas. Common at Intervales
Campo Flicker	<i>Colaptes campestris</i>	Seen in the northern parts of Pantanal. Common at Emas, Iguacu and Intervales
Pale-crested Woodpecker	<i>Celeus lugubris</i>	Seen twice in Pantanal and once in Iguacu
Blond-crested Woodpecker	<i>Celeus flavescens</i>	2 seen Iguacu
Ringed Woodpecker	<i>Celeus torquatus</i>	2 seen in Rio Cristalino
Lineated Woodpecker	<i>Dryocopus lineatus</i>	Heard a few places. 1 seen in Intervales
Red-necked Woodpecker	<i>Campephilus rubricollis</i>	1 seen Chapadas dos Guimaras
Robust Woodpecker	<i>Campephilus robustus</i>	1 seen in Iguacu
Crimson-crested Woodpecker	<i>Campephilus melanoleucos</i>	1 in Pantanal
Thrush-like Woodcreeper	<i>Dendrocincla turdina</i>	1 in Itatiaia after the DOF trip
Plain-brown Woodcreeper	<i>Dendrocincla fuliginosa</i>	A few in Intervales
Long-tailed Woodcreeper	<i>Deconychura longicauda</i>	1 in Rio Cristalino
Olivaceous Woodcreeper	<i>Sittasomus griseicapillus</i>	Seen and heard in Emas, Chapadas dos Guimaras, Iguacu and Intervales
Wedge-billed Woodcreeper	<i>Glyphorynchus spirurus</i>	Heard in Rio Cristalino
Long-billed Woodcreeper	<i>Nasica longirostris</i>	Heard and seen in Rio Cristalino
Cinnamon-throated Woodcreeper	<i>Dendrexetastes rufigula</i>	Seen in Rio Cristalino

Strong-billed Woodcreeper	<i>Xiphocolaptes promeropirhynchus</i>	Seen in Rio Cristalino
White-throated Woodcreeper	<i>Xiphocolaptes albicollis</i>	Heard in Iguacu and seen in Intervales
Great Rufous Woodcreeper	<i>Xiphocolaptes major</i>	Seen after the DOF trip in Pantanal
Planalto Woodcreeper	<i>Dendrocolaptes platyrostris</i>	in Iguacu
Straight-billed Woodcreeper	<i>Xiphorhynchus picus</i>	Seen a couple of times in Pantanal and heard in Rio Cristalino
Dusky-billed (Buff-thr. W-creeper)	<i>Xiphorhynchus eytoni</i>	Heard or seen every day in Pantanal and seen in Chapadas dos Guimeras
Narrow-billed Woodcreeper	<i>Lepidocolaptes angustirostris</i>	Seen commonly in Pantanal
Scaled Woodcreeper	<i>Lepidocolaptes squamatus</i>	Seen after the DOF trip in Itatiaia
Lesser Woodcreeper	<i>Lepidocolaptes fuscus</i>	Quite common in Intervales
Lineated Woodcreeper	<i>Lepidocolaptes albolineatus</i>	1 seen in Rio Cristalino
Red-billed Scythebill	<i>Campylorhamphus trochilirostris</i>	Seen in Pantanal and Emas
Black-billed Scythebill	<i>Campylorhamphus falcularius</i>	Seen after the DOF trip in Itatiaia
Curve-billed Scythebill	<i>Campylorhamphus procurvoides</i>	Seen a few times in Rio Cristalino
Pale-legged Hornero	<i>Furnarius leucopus</i>	Common in Pantanal
Rufous Hornero	<i>Furnarius rufus</i>	Common in Pantanal, Chapadas dos Guimeras, Emas and Intervales
Itatiaia Spinetail	<i>Schizoeaca moreirae</i>	Seen after the DOF trip in itatiaia
Chotoy Spinetail	<i>Schoeniophylax phryganophila</i>	Seen after the DOF trip in Pantanal
Rufous-capped Spinetail	<i>Synallaxis ruficapilla</i>	Seen in Intervales
Sooty-fronted Spinetail	<i>Synallaxis frontalis</i>	Seen after the DOF trip in Pantanal
Pale-breasted Spinetail	<i>Synallaxis albescens</i>	Common in Chapadas dos Guimeras and Emas
Chicli Spinetail	<i>Synallaxis spixi</i>	Several seen in Intervales
Cinereous-breasted Spinetail	<i>Synallaxis hypospodia</i>	1 seen in Pantanal
Gray-bellied Spinetail	<i>Synallaxis cinerascens</i>	2 in Intervales
Plain-crowned Spinetail	<i>Synallaxis gujanensis</i>	2 seen after the DOF trip in Pantanal
White-lored Spinetail	<i>Synallaxis albilora</i>	Common in Pantanal
Chestnut-throated Spinetail	<i>Synallaxis cherriei</i>	1 seen in Rio Cristalino
Pallid Spinetail	<i>Cranioleuca pallida</i>	2 seen in Intervales

Rusty-backed Spinetail	<i>Cranioleuca vulpina</i>	Seen several times in Pantanal and Emas
Yellow-chinned Spinetail	<i>Certhiaxis cinnamomea</i>	Seen commonly in Pantanal
Common Thornbird	<i>Phacellodomus rufifrons</i>	Only seen once in Pantanal
Red-eyed Thornbird	<i>Phacellodomus erythrophthalmus</i>	1 seen at Intervales
Greater Thornbird	<i>Phacellodomus ruber</i>	Seen a couple of times in Pantanal
Sharp-tailed Streamcreeper	<i>Lochmias nematura</i>	1 Seen in Chapadas dos Guimeras
Rufous Cacholote	<i>Pseudoseisura cristata</i>	Common in Pantanal
Point-tailed Palmcreeper	<i>Berlepschia rikeri</i>	1 seen in the palms between Alta Floresta and the river.
Chestnut-winged Hookbill	<i>Ancistrops strigilatus</i>	Seen and heard in Rio Cristalino
White-browed Foliage-gleaner	<i>Philydor amaurotis</i>	Seen after the DOF trip in Itatiaia
Ochre-breasted Foliage-gleaner	<i>Philydor lichtensteini</i>	Iguacu and Intervales
Black-capped Foliage-gleaner	<i>Philydor atricapillus</i>	Seen in Iguacu
Buff-fronted Foliage-gleaner	<i>Philydor rufus</i>	Common in Intervales
Russet-mantled Foliage-gleaner	<i>Philydor dimidiatus</i>	Heard only in Emas
Para Foliage-gleaner	<i>A. paraensis</i>	Seen twice in Rio Cristalino
Pale-browed Treehunter	<i>Cichlocolaptes leucophrus</i>	Seen in Intervales (and Itatiaia)
Buff-throated Foliage-gleaner	<i>Automolus ochrolaemus</i>	Heard in Rio Cristalino
White-eyed Foliage-gleaner	<i>Automolus leucophthalmus</i>	Seen after the DOF trip in Itatiaia
Chestnut-crowned Foliage-gleaner	<i>Automolus rufipileatus</i>	Seen every day in Rio Cristalino
White-collared Foliage-gleaner	<i>Anabazenops fuscus</i>	Seen several times in Intervales
Rufous-breasted Leaf-tosser	<i>Sclerurus scansor</i>	2 – 3 seen in Intervales
Sharp-billed Xenops	<i>Heliobletus contaminatus</i>	2 seen in Intervales
Slender-billed Xenops	<i>Xenops tenuirostris</i>	Seen in two of the days in Rio Cristalino
Plain Xenops	<i>Xenops minutus</i>	Iguacu heard only
Streaked Xenops	<i>Xenops rutilans</i>	Seen in Pantanal and Intervales
Fasciated Antshrike	<i>Cymbilaimus lineatus</i>	Seen and heard in Rio Cristalino
Spot-backed Antshrike	<i>Hypoedaleus guttatus</i>	Seen in Iguacu

Giant Antshrike	<i>Batara cinerea</i>	<i>Intervales where heard and seen</i>
Large-tailed Antshrike	<i>Mackenziaena leachii</i>	<i>Seen well in Intervales</i>
Tufted Antshrike	<i>Mackenziaena severa</i>	<i>2 seen Intervales</i>
Great Antshrike	<i>Taraba major</i>	<i>Seen daily in Pantanal and once in Emas</i>
Glossy Antshrike	<i>Sakesphorus luctuosus</i>	<i>Seen twice in Rio Cristalino</i>
White-bearded Antshrike	<i>Biatas nigropectus</i>	<i>1 seen in Intervales</i>
Barred Antshrike	<i>Thamnophilus doliatus</i>	<i>Daily in Pantanal and Emas</i>
Chestnut-backed Antshrike	<i>Thamnophilus palliatus</i>	<i>Heard once in Rio Cristalino</i>
Plain-winged Antshrike	<i>Thamnophilus schistaceus</i>	<i>Heard and seen in Rio Cristalino several times</i>
Natterer's Slaty Antshrike	<i>Thamnophilus stictocephalus</i>	<i>Heard in Rio Cristalino</i>
Planalto Slaty Antshrike	<i>Thamnophilus pelzelni</i>	<i>1 in Chapadas dos Guimeras</i>
Amazonian Antshrike	<i>Thamnophilus amazonicus</i>	<i>1 in Rio Cristalino</i>
Variable Antshrike	<i>Thamnophilus caerulescens</i>	<i>Several in Intervales</i>
Rufous-winged Antshrike	<i>Thamnophilus torquatus</i>	<i>1 in Chapadas dos Guimeras</i>
Rufous-capped Antshrike	<i>Thamnophilus ruficapillus</i>	<i>Seen after the DOF trip in Itatiaia</i>
Spot-winged Antshrike	<i>Pygiptila stellaris</i>	<i>Heard in Rio Cristalino</i>
Spot-breasted Antwreio	<i>Dysithamnus stictothorax</i>	<i>2 in Intervales</i>
Plain Antwreio	<i>Dysithamnus mentalis</i>	<i>Common except Rio Cristalino</i>
Rufous-backed Antwreio	<i>Dysithamnus xanthopterus</i>	<i>Seen after the DOF trip in Itatiaia</i>
Saturnine Antshrike	<i>Thamnomanes saturninus</i>	<i>1 in Rio Cristalino</i>
Cinereous Antshrike	<i>Thamnomanes caesius</i>	<i>Every day in Rio Cristalino</i>
Pygmy Antwren	<i>Myrmotherula brachyura</i>	<i>1 in Rio Cristalino</i>
Amazonian Streaked Antwren	<i>Myrmotherula multostriata</i>	<i>2 in Rio Cristalino</i>
Plain-throated Antwren	<i>Myrmotherula hauxwelli</i>	<i>1 in Rio Cristalino</i>
Star-throated Antwren	<i>Myrmotherula gularis</i>	<i>1 in Intervales</i>
White-eyed Antwren	<i>Myrmotherula leucophthalma</i>	<i>1 in Rio Cristalino</i>
White-flanked Antwren	<i>Myrmotherula axillaris</i>	<i>1 in Rio Cristalino</i>
Long-winged Antwren	<i>Myrmotherula longipennis</i>	<i>1 in Rio Cristalino</i>

Gray Antwren	<i>Myrmotherula menetriesii</i>	Heard in Rio Cristalino
Black-capped Antwren	<i>Herpsilochmus atricapillus</i>	Heard in Ubatuba after the DOF trip
Large-billed Antwren	<i>Herpsilochmus longirostris</i>	Several in Pantanal, Chapadas dos Guimeras and Emas
Rufous-winged Antwren	<i>Herpsilochmus rufimarginatus</i>	Heard in Rio Cristalino and 2 seen in Iguacu
Dot-winged Antwren	<i>Microrhoptias quixensis</i>	1 Rio Cristalino
Rusty-backed Antwren	<i>Formicivora rufa</i>	Common Pantanal. seen Emas
Ferruginous Antbird	<i>Drymophila ferruginea</i>	Common Intervales
Bertoni's Antwren	<i>Drymophila rubricollis</i>	Seen Iguacu
Ochre-rumped Antbird	<i>Drymophila ochropyga</i>	1 Intervales
Striated Antbird	<i>Drymophila devillei</i>	Heard in Rio Cristalino twice
Dusky-tailed Antbird	<i>Drymophila malura</i>	1 Intervales
Streak-capped Antwren	<i>Terenura maculata</i>	1 Intervales
Gray Antbird	<i>Cercomacra cinerascens</i>	Heard and seen 3 days in Rio Cristalino
Blackish Antbird	<i>Cercomacra nigrescens</i>	2 in Rio Cristalino
Manu Antbird	<i>Cercomacra manu</i>	1 in Rio Cristalino
Mato Grosso Antbird	<i>Cercomacra melanaria</i>	4 in Pantanal
White-shouldered Fire-eye	<i>Pyriglena leucoptera</i>	2-3 in Intervales
White-browed Antbird	<i>Myrmoborus leucophrys</i>	2 in Rio Cristalino
Black-faced Antbird	<i>Myrmoborus myotherinus</i>	1 in Rio Cristalino and 1 in Alta F.
Band-tailed Antbird	<i>Hypocnemoides maculicauda</i>	1 in Pantanal and 1 in Rio Cristalino
Silvered Antbird	<i>Sclateria naevia</i>	2 in Rio Cristalino
White-bibbed Antbird	<i>Myrmeciza loricata</i>	Seen after the DOF trip in Itatiaia
Squamate Antbird	<i>Myrmeciza squamosa</i>	1 in Intervales
Chestnut-tailed Antbird	<i>Myrmeciza hemimelaena</i>	1 in Alta F.
Dot-backed Antbird	<i>Hylophylax ?</i>	1 Rio Cristalino
Rufous-capped Antthrush	<i>Formicarius colma</i>	1 seen and several heard in Intervales
Such's Antthrush	<i>Chamaeza meruloides</i>	Heard in Intervales
Short-tailed Antthrush	<i>Chamaeza campanisona</i>	Heard commonly in Iguacu and Intervales

Brazilian Antthrush	<i>Chamaeza ruficauda</i>	Seen after the DOF trip in Itatiaia
Variegated Antpitta	<i>Grallaria varia</i>	1 seen in Rio Cristalino and several heard. Also heard in Intervales
Speckle-breasted Antpitta	<i>Hylopezus nattereri</i>	Seen after the DOF trip in Itatiaia
Rufous Gnateater	<i>Conopophaga lineata</i>	2 in Intervales
Black-cheeked Gnateater	<i>Conopophaga melanops</i>	1 Itatiaia
Collared Crescentchest	<i>Melanopareia torquata</i>	Seen well in Chapadas dos Guimeras and heard Emas
Slaty Bristlefront	<i>Merulaxis ater</i>	2 in Intervales
Mouse-colored Tapaculo	<i>Scytalopus speluncae</i>	1 seen at Intervales,
White-breasted Tapaculo	<i>Scytalopus indigoticus</i>	Several in Intervales
Planalto Tyrannulet	<i>Phyllomyias fasciatus</i>	A few Chapadas dos Guimeras
Greenish Tyrannulet	<i>Phyllomyias virescens</i>	Seen Itatiaia
Gray-capped Tyrannulet	<i>Phyllomyias griseocapilla</i>	Seen Itatiaia
Southern Beardless-Tyrannulet	<i>Camptostoma obsoletum</i>	Quite common except Emas and Iguacu
Chapada Flycatcher	<i>Suiriri islerorum</i>	2 in Chapadas dos Guimeras
Yellow-crowned Tyrannulet	<i>Tyrannulus elatus</i>	1 Rio Cristalino
Forest Elaenia	<i>Myiopagis gaimardii</i>	Several in Pantanal, Rio Cristalino, and Chapadas dos Guimeras
Grey Elaenia	<i>Myiopagis caniceps</i>	In Rio Cristalino and Iguacu
Greenish Elaenia	<i>Myiopagis viridicata</i>	In Rio Cristalino and Iguacu
Yellow-bellied Elaenia	<i>Elaenia flavogaster</i>	A few in Chapadas dos Guimeras and Emas
Small-billed Elaenia	<i>Elaenia parvirostris</i>	1 in Chapadas dos Guimeras
Olivaceous Elaenia	<i>Elaenia mesoleuca</i>	1 Itatiaia
Lesser Elaenia	<i>Elaenia chiriquensis</i>	Seen both days in Emas
Highland Elaenia	<i>Elaenia obscura</i>	A few in Intervales
Sooty Tyrannulet	<i>Serpophaga nigricans</i>	Seen in Emas
White-crested Tyrannulet	<i>Serpophaga subcristata</i>	Seen Intervales
Plain Tyrannulet	<i>Inezia inornata</i>	Seen every day in Pantanal
Pale-tipped Tyrannulet	<i>Inezia subflava</i>	1 in Rio Cristalino
Sharp-tailed Tyrant	<i>Culicivora caudacuta</i>	Seen in Emas

Bearded Tachuri	<i>Polystictus pectoralis</i>	Several seen in Emas and Chapadas dos Guimeras
Tawny-crowned Pygmy-Tyrant	<i>Euscarthmus meloryphus</i>	Seen twice in Pantanal
Rufous-sided Pygmy-Tyrant	<i>Euscarthmus rufomarginatus</i>	Seen in Chapadas dos Guimeras
Gray-hooded Flycatcher	<i>Mionectes rufiventris</i>	1 in Intervales
Sepia-capped Flycatcher	<i>Leptopogon amaurocephalus</i>	Quite commonly seen in Pantanal, Iguacu and Intervales
Yellow Tyrannulet	<i>Capsiempis flaveola</i>	A few in Intervales
Southern Bristle-Tyrant	<i>Phylloscartes eximius</i>	1 in Iguacu
São Paulo Tyrannulet	<i>Phylloscartes paulistus</i>	1 in Intervales
Oustalet's Tyrannulet	<i>Phylloscartes oustaleti</i>	1 in Intervales
Serra do Mar Tyrannulet	<i>Phylloscartes difficilis</i>	Seen Itatiaia
Southern Antpipit	<i>Corythopsis delalandi</i>	2 in Iguacu
Eared Pygmy-Tyrant	<i>Myiornis auricularis</i>	Several in Iguacu and Intervales
Short-tailed Pygmy-Tyrant	<i>Myiornis ecaudatus</i>	Heard and seen in Rio Cristalino twice
Helmeted Pygmy-Tyrant	<i>Lophotriccus galeatus</i>	Heard in Rio Cristalino
Drab-breasted Bamboo Tyrant	<i>Hemitriccus diops</i>	1 in Intervales
Brown-breasted Bamboo Tyrant	<i>Hemitriccus obsoletus</i>	A few heard and a glimpse of 1 in Itatiaia
Zimmer's Tody-Tyrant	<i>Hemitriccus aenigma</i>	Heard on 2 days in Rio Cristalino
Stripe-necked Tody-Tyrant	<i>Hemitriccus striaticollis</i>	Some in Pantanal
Hangnest Tody-Tyrant	<i>Hemitriccus nidipendulus</i>	1 in Intervales
Pearly-vented Tody-Tyrant	<i>Hemitriccus margaritaceiventer</i>	Some seen in Pantanal
Ochre-faced Tody-Flycatcher	<i>Todirostrum plumbeiceps</i>	1 in Intervales
Rusty-fronted Tody-Flycatcher	<i>Todirostrum latirostre</i>	Regular in Pantanal
Spotted Tody-Flycatcher	<i>Todirostrum maculatum</i>	A few in Rio Cristalino
Yellow-lored Tody-Flycatcher	<i>Todirostrum poliocephalum</i>	Seen after the DOF trip in Itatiaia
Common Tody-Flycatcher	<i>Todirostrum cinereum</i>	A few in Pantanal and Emas
Yellow-browed Tody-Flycatcher	<i>Todirostrum chrysocrotaphum</i>	1 in Rio Cristalino
Large-headed Flatbill	<i>Ramphotricon megacephala</i>	Seen regularly in Rio Cristalino and Intervales
Dusky-tailed Flatbill	<i>R. fuscicauda</i>	1 Rio Cristalino

Yellow-olive Flycatcher	<i>Tolmomyias sulphureus</i>	Seen at Rio Cristalino, Iguacu and Intervales
Ochre-ored Flatbill	<i>Tolmomyias flaviventris</i>	Seen once in Rio Cristalino
White-throated Spadebill	<i>Platyrinchus mystaceus</i>	Intervales 23/9
Russet-winged Spadebill	<i>Platyrinchus leucoryphus</i>	Only heard in Iguacu
Atlantic Royal-Flycatcher	<i>Onychorhynchus swainsoni</i>	The local guide knew the locality and attracted it with strange sounds from the lips.
Black-tailed Flycatcher	<i>Myiobius atricaudus</i>	1 in Intervales
Bran-colored Flycatcher	<i>Myiophobus fasciatus</i>	Seen in Pantanal as well as Emas
Euler's Flycatcher	<i>Lathrotriccus euleri</i>	Seen Rio Cristalino, Iguacu and Intervales
Tropical Pewee	<i>Contopus cinereus</i>	1 Intervales
Fuscous Flycatcher	<i>Cnemotriccus fuscatus</i>	Common in Pantanal. Seen Emas
Vermilion Flycatcher	<i>Pyrocephalus rubinus</i>	Common many places
Gray Monjita	<i>Xolmis cinerea</i>	Common in Emas
White-rumped Monjita	<i>Xolmis velata</i>	Comon in Pantanal and Emas
Blue-billed Black Tyrant	<i>Knipolegus cyanirostris</i>	Itatiaia
Velvety Black Tyrant	<i>Knipolegus nigerrimus</i>	Itatiaia
Black-backed Water-Tyrant	<i>Fluvicola albiventer</i>	Common Pantanal, also seen Chapadas dos Gui.
Masked Water-Tyrant	<i>Fluvicola nengeta</i>	Itatiaia
White-headed Marsh Tyrant	<i>Arundinicola leucocephala</i>	Common Pantanal
Long-tailed Tyrant	<i>Colonia colonus</i>	Seen at the tower in Rio Cristalino
Cock-tailed Tyrant	<i>Alectrurus tricolor</i>	Quite common in Emas
Streamer-tailed Tyrant	<i>Gubernetes yetapa</i>	About 8 in Emas
Yellow-browed Tyrant	<i>Satrapa icterophrys</i>	Itatiaia
Swallow Flycatcher	<i>Hirundinea bellicosa</i>	A few in Rio Cristalino
Cattle Tyrant	<i>Machetornis rixosus</i>	Common in Pantanal at Intervales
Shear-tailed Gray Tyrant	<i>Muscippra vetula</i>	A few in Intervales
Rufous-tailed Attila	<i>Attila phoenicurus</i>	Itatiaia
Cinnamon Attila	<i>Attila cinnamomeus</i>	Common in Rio Cristalino though never seen but only heard
White-eyed Attila	<i>Attila bolivianus</i>	A few in Pantanal after the DOF trip

Gray-hooded Attila	<i>Attila rufus</i>	<i>Some in Intervales</i>
Rufous Casiornis	<i>Casiornis rufa</i>	<i>Common at some at places in Pantanal and Emas</i>
Sirystes	<i>Sirystes sibilator</i>	<i>A few in Iguacu and Intervales</i>
Dusky-capped Flycatcher	<i>Myiarchus tuberculifer</i>	<i>1 in Pantanal after the DOF trip</i>
Swainson's Flycatcher	<i>Myiarchus swainsoni</i>	<i>Itatiaia</i>
Short-crested-Flycatcher	<i>Myiarchus ferox</i>	<i>Seen at almost all localities</i>
Brown-crested Flycatcher	<i>Myiarchus tyrannulus</i>	<i>Common in Pantanal</i>
Great Kiskadee	<i>Pitangus sulphuratus</i>	<i>Very common at most places</i>
Lesser Kiskadee	<i>Philohydor lictor</i>	<i>Common at open water areas in Pantanal and Rio Cristalino</i>
Boat-billed Flycatcher	<i>Megarynchus pitangua</i>	<i>A few in p, Alta F., Chapadas dos Guimeras and Iguacu</i>
Rusty-margined Flycatcher	<i>Myiozetetes cayanensis</i>	<i>Quite common at Pantanal, Rio Cristalino and Emas</i>
Social Flycatcher	<i>Myiozetetes similis</i>	<i>A few in Chapadas dos Guimeras and a flock in Iguacu</i>
Three-striped Flycatcher	<i>Conopias trivirgata</i>	<i>Not uncommon in Iguacu and Intervales</i>
Streaked Flycatcher	<i>Myiodynastes maculatus</i>	<i>A few in Chapadas dos Guimeras</i>
Piratic Flycatcher	<i>Legatus leucophaeus</i>	<i>Some in Rio Cristalino and Chapadas dos Guimeras</i>
Variiegated Flycatcher	<i>Empidonomus varius</i>	<i>Some in Rio Cristalino</i>
Crowned Slaty Flycatcher	<i>Griseotyrannus aurantioatrocristatus</i>	<i>1 in Rio Cristalino</i>
Sulphury Flycatcher	<i>Tyrannopsis sulphurea</i>	<i>A few in Rio Cristalino</i>
White-throated Kingbird	<i>Tyrannus albogularis</i>	<i>Seen in Rio Cristalino, Chapadas dos Guimeras and Iguacu</i>
Tropical Kingbird	<i>Tyrannus melancholicus</i>	<i>Very common all over</i>
Fork-tailed Flycatcher	<i>Tyrannus savana</i>	<i>Arriving at many places. Many more in the end of Sept. in Pantanal</i>
White-naped Xenopsaris	<i>Xenopsaris albinucha</i>	<i>PANTANAL after the DOF trip.</i>
Chestnut-crowned Becard	<i>Pachyramphus castaneus</i>	<i>About 5 seen in Intervales</i>
White-winged Becard	<i>Pachyramphus polychopterus</i>	<i>Itatiaia (Alex)</i>
Crested Becard	<i>Pachyramphus validus</i>	<i>1 in Alta F. and 1 in Intervales</i>
Black-tailed Tityra	<i>Tityra cayana</i>	<i>2 Alta F.</i>
Masked Tityra	<i>Tityra semifasciata</i>	<i>Singles seen Rio Cristalino, Alta F. and Emas</i>
Black-crowned Tityra	<i>Tityra inquisitor</i>	<i>1 in Alta F.</i>

Greenish Schiffornis	<i>Schiffornis virescens</i>	5 – 10 seen Intervaes
Thrush-like Schiffornis	<i>Schiffornis turdinus</i>	Heard several times in Rio Cristalino
Helmeted Manakin	<i>Antilophia galeata</i>	10 in Pantanal
White-bearded Manakin	<i>Manacus manacus</i>	1 in Rio Cristalino and 1 in Emas
Blue-backed Manakin	<i>Chiroxiphia pareola</i>	A few in Rio Cristalino
Swallow-tailed Manakin	<i>Chiroxiphia caudata</i>	A few in Rio Cristalino
Snow-capped Manakin	<i>Pipra nattereri</i>	A few in Rio Cristalino
Band-tailed Manakin	<i>Pipra fasciicauda</i>	Seen in Chapadas dos Guimeras and Iguacu
Red-headed Manakin	<i>Pipra rubrocapilla</i>	Regular in Rio Cristalino
Pin-tailed Manakin	<i>Ilicura militaris</i>	1 Intervaes
Serro Do Mar's Tyrant-Manakin	<i>Neopelma aurifrons</i> (<i>grisolophus</i>)	1 in Intervaes
Dwarf Tyrant-Manakin	<i>Tyranneutes stolzmanni</i>	Seen in Rio Cristalino and Intervaes 2 in Intervaes
Wing-barred Piprites	<i>Piprites chloris</i>	Only in Rio Cristalino
Black-capped Piprites	<i>Piprites pileatus</i>	1 Itatiaia
Swallow-tailed Cotinga	<i>Phibalura flavirostris</i>	A pair seen around the lodge in Intervaes
Black-and-gold Cotinga	<i>Tijuca atra</i>	2 Itatiaia
Hooded Berryeater	<i>Carpornis cucullatus</i>	Common at Intervaes
Buff-throated Purpleuft	<i>Iodopleura pipra</i>	Ubatuba
Screaming Piha	<i>Lipaugus vociferans</i>	Common in Rio Cristalino
Cinnamon-vented Piha	<i>Lipaugus lanioides</i>	A few in Intervaes
Spangled Cotinga	<i>Cotinga cayana</i>	Around 10 seen in Rio Cristalino and Alta F.
Pompadour Cotinga	<i>Xipholena punicea</i>	1 seen in Rio Cristalino
Bare-necked Fruitcrow	<i>Gymnoderus foetidus</i>	Seen most days in Rio Cristalino
Red-ruffed Fruitcrow	<i>Pyroderus scutatus</i>	1 seen in Intervaes
Bare-throated Bellbird	<i>Procnias nudicollis</i>	Common in Intervaes though only 2 seen
Sharpbill	<i>Oxyruncus cristatus</i>	Several seen in Intervaes
White-winged Swallow	<i>Tachycineta albiventer</i>	Common in Pantanal and Rio Cristalino
White-rumped Swallow	<i>Tachycineta leucorrhoa</i>	Common in Emas

Brown-chested Martin	<i>Progne tapera</i>	Common in Pantanal. Also a few seen in Rio Cristalino and Emas
Gray-breasted Martin	<i>Progne chalybea</i>	Common in Pantanal. Also in Rio Cristalino and Iguacu
Blue-and-white Swallow	<i>Notiochelidon cyanoleuca</i>	Common in Iguacu and Intervalles
White-banded Swallow	<i>Atticora fasciata</i>	Common in Rio Cristalino
Black-collared Swallow	<i>Atticora melanoleuca</i>	Seen over the waterfall in Iguacu
White-thighed Swallow	<i>Neochelidon tibialis</i>	Seen once at Rio Cristalino
Southern Rough-winged Swallow	<i>Stelgidopteryx ruficollis</i>	Common at most places
Cliff Swallow	<i>Petrochelidon pyrrhonota</i>	<i>Itatiaia</i>
Yellowish Pipit	<i>Anthus lutescens</i>	PANTANAL after DOF trip
Black-capped Donacobius	<i>Donacobius atricapilla</i>	Common in Pantanal
Thrush-like Cactus-Wren	<i>Campylorhynchus turdinus</i>	Every day in Pantanal and a few in Alta F.
Tooth-billed Wren	<i>Odontorchilus cinereus</i>	Few times in Rio Cristalino
Short-billed Marsh-Wren	<i>Cistothorus platensis</i>	1 in Emas
Moustached Wren	<i>Thryothorus genibarbis</i>	Seen in Pantanal, Rio Cristalino and Chapadas dos Guimeras
Buff-breasted Wren	<i>Thryothorus leucotis</i>	As above
Fawn-breasted Wren	<i>Thryothorus guarayanus</i>	1 in Pantanal
House Wren	<i>Troglodytes aedon</i>	Seen all places except Rio Cristalino
Scaly-breasted Wren	<i>Microcerculus marginatus</i>	1 seen Emas
Chalk-browed Mockingbird	<i>Mimus saturninus</i>	Common except in Rio Cristalino
Yellow-legged Thrush	<i>Platycichla flavipes</i>	<i>Itatiaia</i>
Eastern Slaty Thrush	<i>Turdus subalaris</i>	A few seen in Iguacu
Rufous-bellied Thrush	<i>Turdus rufiventris</i>	Common except in Rio Cristalino
Pale-breasted Thrush	<i>Turdus leucomelas</i>	Few in Pantanal, Chapadas dos Guimeras and Emas
Creamy-bellied Thrush	<i>Turdus amaurochalinus</i>	Seen Pantanal, Chapadas dos Guimeras and Intervalles
Lawrence's Thrush	<i>Turdus lawrencii</i>	1 heard in Rio Cristalino
Cocoa Thrush	<i>Turdus fumigatus</i>	1 heard in Rio Cristalino and heard at the lodge in Emas
White-necked Thrush	<i>Turdus albicollis</i>	Small numbers seen in Iguacu and Intervalles
Long-billed Gnatwren	<i>Ramphocaenus melanurus</i>	1 in Rio Cristalino

Masked Gnatcatcher	<i>Polioptila dumicola</i>	Common in Pantanal and a few in Emas
Purplish Jay	<i>Cyanocorax cyanomelas</i>	Common in Pantanal and Chapadas dos Guimeras
Curl-crested Jay	<i>Cyanocorax cristatellus</i>	Common in Emas. 1 in Chapadas dos Guimeras
Plush-crested Jay	<i>Cyanocorax chrysops</i>	Small flocks seen in Iguacu and Intervales
Rufous-collared Sparrow	<i>Zonotrichia capensis</i>	Common in Chapadas dos Guimeras, Iguacu and Intervales
Grassland Sparrow	<i>Myospiza humeralis</i>	Seen commonly in Pantanal and Emas
Uniform Finch	<i>Haplospiza unicolor</i>	3-4 birds in Intervales
Bay-chested Warbling-Finch	<i>Poospiza thoracica</i>	Itatiaia
Red-rumped Warbling-Finch	<i>Poospiza lateralis</i>	Common in Intervales and Itatiaia
Stripe-tailed Yellow-Finch	<i>Sicalis citrina</i>	1 in Emas
Saffron Finch	<i>Sicalis flaveola</i>	Common in Pantanal and Emas
Misto (Grassland) Yellow-Finch	<i>Sicalis luteiventris</i>	1 in Emas
Wedge-tailed Grass-Finch	<i>Emberizoides herbicola</i>	1 in Pantanal and several in Emas
Great Pampa-Finch	<i>Embernagra platensis</i>	High level at Itatiaia
Blue-black Grassquit	<i>Volatinia jacarina</i>	Very common except in the south
Buffy-fronted Seedeater	<i>Sporophila frontalis</i>	Few in Intervales
Temminck's Seedeater	<i>Sporophila falcirostris</i>	2 in Intervales
Plumbeous Seedeater	<i>Sporophila plumbea</i>	Several in Chapadas dos Guimeras and Emas
Rusty-collared Seedeater	<i>Sporophila collaris</i>	Common in Pantanal
Double-collared Seedeater	<i>Sporophila caeruleascens</i>	Several in Pantanal, Chapadas dos Guimeras and Intervales
Gray-backed Seedeater	<i>Sporophila leucoptera</i>	1 in Pantanal
Tawny-bellied Seedeater	<i>Sporophila hypoxantha</i>	PANTANAL after the DOF trip
Lesser Seed-Finch	<i>Oryzoborus angolensis</i>	1 in Pantanal
Blackish-blue Seedeater	<i>Amaurospiza moesta</i>	Itatiaia
Pectoral Sparrow	<i>Arremon taciturnus</i>	Few in Chapadas dos Guimeras
Saffron-billed Sparrow	<i>Arremon flavirostris</i>	1-2 in Chapadas dos Guimeras
